

Exhibit/Sponsorship Information

Why should I exhibit/sponsor?

The NC Providers Council offers a unique opportunity to showcase your products and services at the primary MH/DD/SAS provider specific conference in the state.

What are the benefits of exhibiting?

Cost-effective Investments—Meet face-to-face with qualified prospects and key decision makers.

High-Traffic—All breaks are held in the exhibit area and conference attendees are encouraged to visit each booth.

Personal Interaction—Demonstrate how your products can enhance an agency's services and operating efficiencies.

Immediate Contacts—Renew old contacts and generate new leads.

Acknowledgement and Exposure—Your sponsorship will be recognized throughout the conference, in the program, and on rotating PowerPoint presentations before each session begins. And depending on your level of sponsorship, your business/agency will be provided with on-site signage in high traffic areas, on conference promotions and on the conference website before and after the conference.

**With the movement toward more integrated care, the NC Providers Council is pleased to collaborate with the NC Chapter of the Developmental Disabilities Nurses Association (DDNA).*
